

Hope College Student Learning Outcomes

Hope College Mission:

To educate students for lives of leadership and service in a global society through academic and co-curricular programs of recognized excellence in the liberal arts and in the context of the historic Christian faith.

Common Learning Outcomes

1. The ability to understand, communicate, and critically appraise differing ways of knowing.

2. A broadened awareness and heightened sensitivity through direct experience with aesthetic, historical, theoretical, technological, cultural, and religious perspectives.

3. The ability to engage in intensive study in an academic discipline or within an interdisciplinary program.

4. A sense of interrelatedness of knowledge, experience, and responsibility.
