

DIFFERENT BY DESIGN

hope.edu

If Hope feels different than other schools, you're right.

Hope's academic rigor and vibrant faith **offer a rare combination** of experiences, equipping our students to go out into the world and make a real and positive impact. We're proudly rooted in the Christian tradition, inviting students of all backgrounds to serve with compassion, wrestle with the biggest questions and share their diverse talents.

Research & Program Funding

\$6.61 million

in new grants were awarded to Hope faculty and staff between 2018 and 2020

There's more to college than a diploma. But there's a lot more to Hope than college.

(information gathered from our 2019 Graduate Report, 6 months after graduation)

 **96%** of our graduates are in the workforce or graduate school within six months

 **93%** of our graduates participated in experiential learning opportunities, such as internships, off-campus study and collaborative student-faculty research

 **98%** of our graduates who applied were accepted to their first- or second-choice graduate school

 **82%** of our graduates are satisfied or very satisfied with their employment

A Happy and Healthy Community

Holland, Michigan, has been ranked the **#2 "Happiest, Healthiest Place to Live in America."** Hope's campus is mere steps from Holland's award-winning historic downtown, a thriving area that features restaurants, cafés, boutique shops, farmers market and even a snowmelt system that keeps sidewalks and roadways snow-free during the winter months.

10 mins.

by car to the many beaches on Lake Michigan

THE CHOICE IS YOURS

Hope offers more than 90 majors, minors and pre-professional programs.

VISIT HOPE COLLEGE

We're ready to create a personalized in-person or online visit experience that's tailored for you.

ON-CAMPUS INDIVIDUAL VISITS

Visiting campus in person is the best way to experience all Hope College has to offer. You will spend approximately two hours on a walking tour of campus followed by a chat with an admissions representative. For your safety and well-being, this in-person experience is available on a limited basis and will include necessary safety precautions. Go to hope.edu/visit to learn more.

EVENINGS WITH HOPE COLLEGE

Join us for a special presentation about the Hope College experience. You will hear from current students, faculty, staff, and our President, Matthew Scogin '02, as they share their stories of Hope and explain why they call this extraordinary place home. For your safety and well-being, this in-person experience is available on a limited basis and will include necessary safety precautions. Go to hope.edu/evening to learn more and register.

VISIT HOPE FROM HOME

Schedule a personalized interactive tour with a current student tour guide! They will guide you through our 360 degree virtual tour and share their Hope experiences. You can also schedule a virtual admissions appointment with one of our representatives or attend one of our scheduled Online Open Houses. Go to hope.edu/visit to learn more.
